Welcome to the Alta Community Library!

We are a combined public and school library located between Alta Elementary and Alta-Aurelia High School. We have our own entrance and our hours listed are for the public. How does a combined public and school library work? We share a collection and a facility, which means sometimes when you visit us, students might also be using the library. All are welcome at the Alta Community Library, and we encourage members of the public to stop in any time!

Mission Statement

The Alta Community Library enhances the quality of life for community residents by providing residents of all ages with popular materials to meet their recreational interests, assisting students in attaining their educational goals, providing access to information and answers to questions on a broad array of topics, and striving to be a primary contributor to lifelong learning.

Getting a Library Card

All Iowa residents are eligible for an Alta Community Library card, and all Alta-Aurelia School students are automatically granted a library card. To sign up, fill out the application on our catalog, and then see the library. You must present proof of residence. A parent/guardian permission is required for patrons under 18. Patrons are responsible for returning their materials in a timely manner, and parent/guardain is responsible for those under 18.

Borrowing Rules

Library cardholders may check out up to 20 materials at a time, 5 of which can be movies. Check out periods are 3 weeks for books, and 1 week for movies, and materials can be renewed twice if no one else is waiting on them.. Alta-Aurelia Schools reserve the right to enforce different check out rules for student cards.

Alta Community Library is proudly fine-free for books!

We do not have overdue fines for books! An overdue fine of \$1 per day will be charged to each overdue movie. Patrons are responsible for the cost of damaged or lost materials.
